Jordan Paul, CEO of NAI/Merin Hunter Codman stated, "We are excited to form this venture with PCCP. Fort Lauderdale is transforming into one of the great live, work, play environments in the United States and 1 East Broward enjoys a unique position within the marketplace. NAI/Merin Hunter Codman and PCCP plan to continue improving the property to solidify its position as one of downtown Fort Lauderdale's premier corporate addresses and we appreciate that SunTrust was able to provide us with a loan that allows for flexibility in achieving this goal."

NAI/Merin Hunter Codman will take over property management and leasing at 1 East Broward. NAI/Merin Hunter Codman Chairman, Neil Merin who will oversee the leasing team with NAI/Merin Hunter Codman Commercial Associate Max Pawk stated, "With its strategic location adjacent to the Brightline Rail Station, the Federal Courthouse and within walking distance of both Las Olas Boulevard and all of the exciting new residential and cultural development taking place in Flagler Village, 1 East Broward offers its tenants an ideal corporate home with easy access to everything that is happening in Fort Lauderdale and South Florida."

Christian Lee, Vice Chairman of CBRE Capital Markets stated, "Ivy did an outstanding job executing its business plan and creating value at 1 East Broward. By virtue of the 20% rent growth we have witnessed in Downtown Fort Lauderdale since 2014, every building in the CBD affords significant upside potential as leases expire and we expect that the new ownership group will be able to continue to enhance the building and benefit from the exciting growth taking place in Fort Lauderdale." Jose Lobon, Senior Vice President, CBRE Capital Markets added, "1 East Broward has benefited tremendously from its location in the burgeoning Flagler Village neighborhood of Downtown Fort Lauderdale. Not only is it the closest office tower to the recently opened Brightline train station, but it is also at the gateway to the CBD's youngest and hippest enclave which has seen a generational transformation over the last decade, including 6,415 new multifamily units, as well as numerous art galleries, restaurants, and amenities."
