MHCommercial Real Estate Fund II ("MHCREFII"), a South Florida based real estate private equity fund, has purchased **Merritt Crossing**, a 90,000 square-foot grocery anchored retail center located in the heart of Merritt Island for \$9,135,000, equating to \$102 per square foot.

The center provides strong immediate cash flow and was acquired at a significant discount to replacement cost. We see opportunity to create substantial value for our investors as we implement a capital improvement program that will enhance the quality of this property in a market that is enjoying great benefits from the growth and high-quality jobs that are being created in the Space Coast.”

MHCREFII was launched in March 2022 by Merin and Paul after fully deploying MHCommercial Real Estate Fund I. With the acquisition of Merritt Crossing, the MHCommercial Real Estate Funds have now acquired 9 projects totaling approximately 1.1 million square feet.

Matthew Brown, Chief Operating Officer for MHCREFII oversaw the acquisition and due diligence process on behalf of MHCREFII, assisted by **Nicholas White**, Director of Asset Management and Associate **Will Rosenfield**. Financing for the transaction was provided by **Bank United** led by **Amanda Pires** and **Lisa Anderson**. **Stuart T. Kapp** and **Jake T. NAI Merin Hunter Codman, Inc. will manage the property and **Holly Carver** and **Lisa Earnhardt** of **Rocket City Commercial Real Estate** will lease the property on behalf of MHCREFII.
